SRS603HLS

ADDITIONAL FEATURES

Twin Cooling

Two separate evaporators and fans give independent cooling to the fridge & freezer.

9 Sensors

9 individual Smart Sensors collects information on the condition of the refrigerator constantly.

Frost Free

A minimal frost model has virtually no ice build-up, helping to eliminate the need for you to defrost the refrigerator again.

.

Handy Hatch

Gain easy access to regularly used items without opening up the entire fridge.

.

LED Lighting

Not only producing a clean light and looking great, LED lighting produces less heat, takes up less room, is more energy efficient, and lasts longer than a standard incandescent bulb.

.
